Design and Drafting by

Keystone Homes invites you to experience “the Ashton”, a classic design featuring an open plan, three bedrooms, 2 baths, a walkout lower level and a triple garage. You will immediately sense the quality craftsmanship and commitment to detail we require and you have come to expect in every **Keystone Home**.

Custom Features Include:

- 1,602 square feet finished
- Well designed floor plan with three large bedrooms and 2 full baths
- Center piece of the main level is the great room
- Great room flows into separate family dining area
- Dining area opens onto a “family sized” cedar deck
- Central island off kitchen doubles as a coffee bar
- Granite countertops in kitchen
- Kitchen features “warm” maple cabinets
- Laundry conveniently located on the main level with large counter for folding clothes
- Custom finished select hardwood floors in kitchen and dining area
- Ceiling fans and lights in all bedrooms
- Triple garage, automatic door opener, space for a workbench, outlets / TV, storage
- Quality building materials provide a maintenance free exterior
- Sod and underground sprinklers

Keystone Homes is a hometown family owned business offering you and your family a custom, quality, affordable new home.

Keystone Homes provides on-staff licensed architectural, skilled drafting, experienced interior design, construction management and real estate services.

Keystone Homes are designed to satisfy your unique style of living – drafted by skilled technicians to include your own personal touches.

Keystone Homes are presently being planned for lots in both north and south Lincoln to accommodate both geographic and economic preferences.
